Gentlemen

I received your package this afternoon and on examination, I find three of the pieces are not correct. #196 Listed as "British Guiana" is nothing more than a common English four-penny piece, #199 I did not order, and #435 was listed as "1824 over 1822 Dime" is a 1823 of which I have the two varieties and I only bid 50 cents for it anyway.

Your bill is 27.39

Gentlemen

Your favor of the 6th received I find on examination that I already have the 1824 over 22 Dime in my collection and supposed that this was a variety, I trust that it will not be an inconvenience to receive it back and I may be able to get something else from you that will more than make it up to you at your next sale.

Very truly Yours
